# **COLLECTIONS OR DUPLICATES OF COLLECTORS SOLICITED FOR SALE AT PUBLIC AUCTION**

In this sale I am offering the finest collection of United States Politicals many of them very rare, the largest and best I have ever offered.

An especially choice collection of United States Bills many of the 1865 issue which are in big demand now and rarely obtainable.

A splendid and varied collection of United States Colonials among which are three Sommers Island pieces. Connecticut Higley coppers, Carolina Elephant, three Maryland pieces and many others too numerous to mention. This coinage is probably the most popular of all to most coin collectors to-day.

Some choice United States Cents. In fact a splendid representation in all lines. This probably is the best general sale that I have ever held.

My mailing list contains over 1000 active collectors. There will be distributed 1200 catalogues. My business has been established over 25 years and am ready to sell collections large or small. Terms on application.

Send in your bids at once, do not wait. Bids are apt to arrive too late or be overlooked if sent at the last moment. Be sure to bid on the right lot and read the catalogue and conditions carefully when making your bids.

Be sure to bid on each lot at so much per piece and not for the lot, if there is more than one piece in the lot or will be compelled to refuse all such bids sent. Be sure to take a copy of your bids and be sure to sign your name to your order, do this first. I get many unsigned orders.

Write down the right number you intend to bid on as I will not hold myself accountable for such errors and will be compelled to hold you responsible for your errors. Remember the coins I am selling are the property of others and that I have to make an accounting to them.

Please send your bids promptly on receipt and address all mail to Post Office Box 1765, Boston, Mass., to assure prompt delivery. This sale is worthy of some good bidding by my customers and I hope that your patronage will come up to my expectations. Thanking you for past favors and a hearty co-operation in this instance,

Probably few collectors are aware that the Government is preparing to reduce the size of our present note and within six months the size of our bills will be like the present Philippine bill, which probably a good many collectors have never seen. In a short time the present bill will be entirely out of circulation and the price of our present bills will jump with leaps and bounds.
